PROSPECTUS OF THE "NORTH CAROLINA DEMOCRAT." A Weekly Newspaper proposed to be published at YANCEYVILLE, N. C.

THE undersigned having purchased the Press, Type, &c., &c., of the "North Carolina Democrat," a weekly newspaper formerly printed at Graham, Alamance county, N. C., propose moving the same to Yanceyville, Caswell county, N. C., and commencing there the republication of that paper, in an enlarged and improved style.

It is hardly necessary to enumerate the considerations which have induced to this. Indeed it seems rather to be wondered at that at this time there is not a Democrat ic newspaper in the 5th Congressional District.

Be this however, as it may, we have determined to present to the Democrats of the District, (and we now call upon them to rally around and support it,) a newspaper, which, as its names indicates, will be thoroughly imbued with and entirely devoted to Democratic work executed at the above Works: principles and the Democratic cause.

We plant ourselves upon those immutable and immortal principles, laid down by our great political Fathers, Jefferson and Madison, and still more recently expressed in the Resolutions of the Democratic Bal: imore Convention, and shall defend, expound and propagate them, with whatever of energy and ability we nay possess.

Believing as we do that the election of Gen. Franklin Presidency of the United States, would promote the interest and permanent good of this Union, we shall therefore advocate their election, and use every honorable means in our power to secure the same.

Notwithstanding "The Democrat" will be strictly and truly a Democratic newspaper, yet there will be

nothing narrow nor sectional in its course, but on the contrary, it shall be liberal, enlarged and national.

Although "The Democrat" will contain a general summary of the Political news of the day, and the principles of each and all parties, freely and fearlessly discussed, still it will not be to the exclusion of other matter; so far from this, we promise, and hope to make it agreeable to all tastes, as it will contain a variety of reading matter carefully selected.

In short, we will spare no pains to make the " Demrrat"an instrutive, agreeable, and useful "Family Newspaper,"-such a one as every man should read himself and make his children read.

In a word, we offer to the public a Political newspaper, not ultra; a Southern paper, not sectional; a Party paper, not one-eyed! But having two good, strong eyes to look at both sides of every question, and separate Truth from Error-Right from Wrong-Fact from

We offer to the Advertising Public, a medium, which we hope they will appreciate and take advantage of, by extending to it their patronage. To the Farmers we would say : Your interest shall not be forgotten, You will find in the "Democrat" all information which may concern or be of interest to you. Such as the state of the markets, in this and other places. Also an account of all the recent improvements

n Agriculture and the Household Arts, &c. Finally, we promise the Ladies that their taste wil also be remembered, and we will endeavor to " serve ap something nice," which will be "seasoned "espe cially for them. The Terms of " The Democrat" will be two dollars

year, payable on receipt of the first number, Promising on our part, to do all we can to make "The Democrat "just what it should be, we hope our triends and the public will give it a warm, hearty, and libera' support. RUFUS GRAVES,

FOR SALE. .

(On liberal terms, that cannot fail to be satisfactory, the Proprietor having made arrangements for moving to Texas. Possession given at any time from date

next Christmas.) The well known and Favorably Situated LITTLE YADKIN HOTEL ESTATE.

IN STOKES COUNTY, A. C. ONSISTING of 1000 (one thousand) acres, more or less, well watered by never-failing streams and perpetual springs—about 300 (three hundred) acres thereof being now under a high state of cultivation—
150 (one hundred and fifty) being rich bottom, on the
East prong of the Little Yakin River; the remainder, 700 (seven hundred) acres, being heavily timbered and classed amongst the best land in this or any other region of country for raising the most choice qualities of CHEW. ING TOBACCO, from 800 to 1000 pounds of which to the acre may be produced thereon, worth, in the Tobacco

house, the moment it is cured, from \$50 to \$150 th thousand weight, cash in hand. The Improvements on the Estate are as follows:
A commodious two-story Tavern, with Kitchen, Cellar, &c., a Framed Store, where a general assortment of Goods have been kept for sale for years, a Lumber house for the storage of bulky und heavy articles, a Blackmost agreeable and interesting resort in the whole set of Tools, and extensive patronage. A Barn, Stables, Feeding Yard for Drovers, Granary, Public Well by the Road-side, Ice-house, Smoke-house, Negro houses, and other out-houses, near the Hotel. Also, a large new Tobacco Barn and (9) nine Dwelling Houses, with oth-

er buildings on different parts of the Plantation. The Little Yadkin Post Office forms a part of the premises. A mail Stage, running between Raleigh, the Capital of this State and Wytheville, Va., via the Fancy Gap, connecting with numerous lines of conveyance, to the principal cities and towns in the valley of the Mississippi, and thence to California and Oregon, passes this point tri-weekly, carrying many passengers and well filled mails, that yield a growing and constant, though at present moderate income to the Hotel and Post Office.

The Estate for about 2 miles in a North and South direction, is intersected by the Volunteer Road, and is likewise divided East and West for nearly the same distance by the noted Hollow Road, the most popular thoroughfare among emigrants or movers to the Great averaging fully 100, or 36,500 per annum. During the autumn or most propitious season for moving across the mountains, upwards of one hundred

wagons have been known to pass here in a single day, patronizing the Hotel, Store, Blacksmith Shop, Granary, Hay-loft, &c., to the amount of \$280. In view of the rapid increase the U.S. Census Returns shew to be taking place in this mountainous and consequently healthy District, and in consideration of the fact, that the Farmers in this neighborhood have, within the last two years ascertained and become sstisfied by actual experience, that their iron-impregnated lands are in every way adapted to the growing of the superior qualities of Tobacco, and as they will in future naturally direct their principal attention and force to the culture of that Ready-Money-Bringing Article, Real Estate must 'ere long greatly rise in value, and this must necessarily soon become a monied section of country to an extent, justifying the undersigned as he believes in stating, that by judicious management, a Barter and ultimately Cash-yielding business of \$5,000 to \$10,000

year, may be transacted at the Store. And furthermore, judging from the amount of his past sales of Leather, he considers there is at present an opening here warranting an increase in the capacity of the Tan Yard, to admit of the tanning and dressing of Leather, equal in value to \$6,000 if not \$10,000 per annum. Attached to the Hotel is a large Garden, well stocked with vegetables, and in connection with the same, may be enumerated a thriving Orchard, comprising more than eleven hundred selected fruit trees ; a full crop of Wheat, Rye and Oats already secured, barn and stable lofts ising Corn crop (including what will be due for rent) expected to reach three hundred barrels, all of which, with if desired be disposed of at the lowest market rates to

whoever may become the purchaser of the Estate. The undersigned, moreover, would seed a crop of small grain for the coming year, provided it should be the wish of the party purchasing the property The North-Eastern part of the Estate extends to within a short distance of the Southern base of the Sauraton Mountains, affording one of the best Mountain Ranges for Cattle, and the finest Pasturage for Sheep,

where, in consequence of the proverbial mildness of cli-

mate, thousands of those valuable animals might be advantageously pastured throughout the entire year, without the expense of dry feeding or artificial shelter.

For the infomation of persons at a distance unacquain ted with the characteristic healthfulness of this immediate vicinity it may be stated that the property in question is situated as before named on the Hollow Road, 19 miles North west of the Moravian Town of Salem, Forsyth county-22 miles South-east of Mount Airy, Surry county, at the Eastern base of the Blue Ridge-35 miles South of the Court House in Patrick county, Va .-5 miles East of the far-famed Pilot Mountain Mount Ararat-and 3 miles South of the chain of the Saura-

ton Mountains, which, with Mount Ararat or alias the Pilot, are in full view from the Hotel. And beyond all doubt, by properly advertising in the Newspapers and otherwise, any desirable number of boarders from the Lower Country might be had throughout the Summer Season, it being an undeniable fact, that in tespect to salubrity of climate, purity and wholesomeness of water, grandeur and beauty of scenery, variety and abundance of Mineral Springs and Minerals, including Marble or Primitive Limestone, (there being two Lime Quarries within two miles of the Hotel) deposites of Iron ore, with many species of rare and valuable minerals, besides numberless other incentives calculated to refresh and strengthen the body, while they divert and interest the mind of man, thereby promoting health and long life,

this situation cannot be excelled. It may be further added, that as regards a favorable locality for raising choice qualities of Tobacco and for Farming in general, also as a lucrative stand for Merchandizing, for carrying on extensively the Tanning and Blacksmithing, Wagon-building and other branches of business, and more especially as a desirable point for a Hotel, to accommodate a continually increasing travelling public, and as a Summer Retreat for Invalids and all persons, who, during hot weather, like to partake of cool fountains gushing from mountain sides, and enjoy invigorating breezes with an endless train of other health-seture throughout this elevated District, the undersigned feels justified in believing this place to be unsurpassed, it equalled by any other location South of Mason and Dixon's Line, from the Alleghany Mountains to the

Atlantic Ocean. For further information, apply on the premises, or by letter to the Proprietor.
